# TERMS AND CONDITIONS OF ENROLLMENT

## ASSUMPTION OF RISK:

I understand that part of the camp experience involves activities, group living arrangements, and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, and so I have instructed my child on the importance of abiding by the camp's rules, and my child and I agree that he or she is familiar with these rules and will obey them.

While we wish that we could control every possible risk, and while we will use our reasonable best efforts to keep your child safe from communicable diseases or pathogens, we want to make clear that we cannot promise to guarantee that communicable diseases or pathogens may not enter camp, and that by the very nature of personal interaction that takes place in the camp environment, there is always a risk of your child becoming ill. We want you to be fully aware of this risk in making the decision to send your child to camp this summer, and that you are willing to assume and accept it on your child's behalf.

While addressing concerns of communicable diseases or pathogens, we will do all we reasonably can to open and operate camp for the 2023 season in a manner that will be as safe as reasonably possible, yet still enjoyable, educational and beneficial for our campers. As in any year, most of the cost to prepare and operate a camp is incurred prior to the camp season. For this reason, if camp closes before the scheduled last day, whether by government order or by a decision of the Directors that doing so is in the best interest of campers and staff, then camp will adjust your account with an amount equal to fifty percent (50%) of the tuition for the remaining camp days, pro rata. This adjustment will be made to your account within 30 days from the close of the camp season.

## FORMS AND CONDITIONS REQUIRED FOR ACCEPTANCE:

- All of the following are required: (1) Camper Profile, (2) Transportation Confirmation, (3) Parent Health Certification/Permission to Administer Medications and (4) Current Camper Photo. No child may begin their camp program without the two health certifications on file.
- Parent represents to the Camp that the camper is in sound physical and mental health and fully able to participate in all Camp activities without the need of a trained individual or specialized attention or medical regimen and that the camper's health will not impinge or impact negatively on other campers or the Camp Program.
- Parent agrees to advise the Camp Directors promptly in writing of any change in the camper's physical or mental health from the date of enrollment as well as throughout the Camp season.
- The Directors reserve the right to refuse or dismiss a camper, or cancel any camper's enrollment if either the Camper's Profile or Parent Health Certification is deemed unsatisfactory, or whose physical or mental condition, conduct, influence or behavior is deemed unsatisfactory to the best interests of the Camp.
- Acceptance of Camper Enrollment is based on transportation availability.
- All campers must be potty-trained prior to attendance.

## SPECIAL REQUESTS AND TRANSPORTATION:

- All special requests, i.e., bunking (grouping) are to be forwarded to the camp office in writing by April 1, 2023. Requests made after that date may not be honored.
- Written requests for placement with friends are subject to Directors' approval and in the best interests of the camper(s), the bunk, and the camp.
- When requesting your child NOT TO BE WITH another camper, please understand that it may be your child who will be moved from the bunk in order to honor this request.
- All bunk requests are treated with confidentiality whenever possible.
- Where age differences are too varied or not appropriate for the camp program, it may not be possible to honor the bunk request.
- Campers will be transported to and from camp in the type of vehicle the Director determines is best suited to effectively serve the particular location, while taking into consideration the number of families to be serviced and travel time. **Please understand that it is virtually impossible to honor transportation requests.**
- **Due to transportation challenges, there may not be a transportation counselor on your child's vehicle.**

- If you select the "Self Transportation" option, and desire to change to "Camp Transportation," the Camp must be notified in writing no later than April 1, 2023.
- Self Transportation Credit is \$75 per camper per session. Pricing for mini day campers includes transportation one way; therefore, should you decide to self trans in the morning, you will receive a credit of \$37.50 per session.
- All transportation address changes must be in writing no later than April 1, 2023. An additional fee is applicable when transportation involves a second vehicle for transport to two different addresses or to accommodate a change in residence during the course of the camp season.
- An extended camp program is available for either before and/or after the regular camp day at an additional cost of \$8.50 per hour. There is no camp transportation available for this program.

## ACTIVITIES, TRIP AND PHOTO PERMISSION:

- Parent or Guardian gives permission to have campers participate in all camp activities and to be taken on all out-of-camp trips authorized by the Camp.
- Parent or Guardian gives permission to have photographs/videos and audios of camper used in printed materials (brochures, etc.), website or other social media for promotional purposes.

## CAMPER CODE OF CONDUCT:

- It is understood that campers enrolled in the Leader-in-Training (LIT) Program agree to abide by all rules in the Code of Conduct, presented prior to the start of the camp season.

## PERSONAL PROPERTY:

- Camp is not responsible for camper's equipment or personal belongings (jewelry, cameras, MP3 players, I-Pads, etc.). The use of cell phones by campers is not permitted on camp property or on camp transportation vehicles.
